Citizenship: UK/Austria (dual)

I'm a highly experienced Executive Producer and Series Producer of **specialist factual** and **documentary TV** around the world. I plan to bring this expertise to bear on productions closer to home as well as continue the globe-trotting.

*"Every company who has had the pleasure of working with Jonathan on a Nat Geo film has embraced his expertise and he continues to excel in his craft. He is a unique talent who can bridge the Asian and European documentary communities given his extensive experience in the industry."* MayYi Lee, National Geographic Channel
